Technical comments:⁵

The Commission staff notes that S. 1914 and S. 2657 would extend the same temporary duty suspension and that only one bill needs to be enacted.

⁵ The Commission may express an opinion on the HTS classification of a product to facilitate consideration of the bill. However, by law, only the U.S. Customs Service is authorized to issue a binding ruling on this matter. The Commission believes that the U.S. Customs Service should be consulted prior to enactment of the bill.
